

Investing for retirement is **smart**

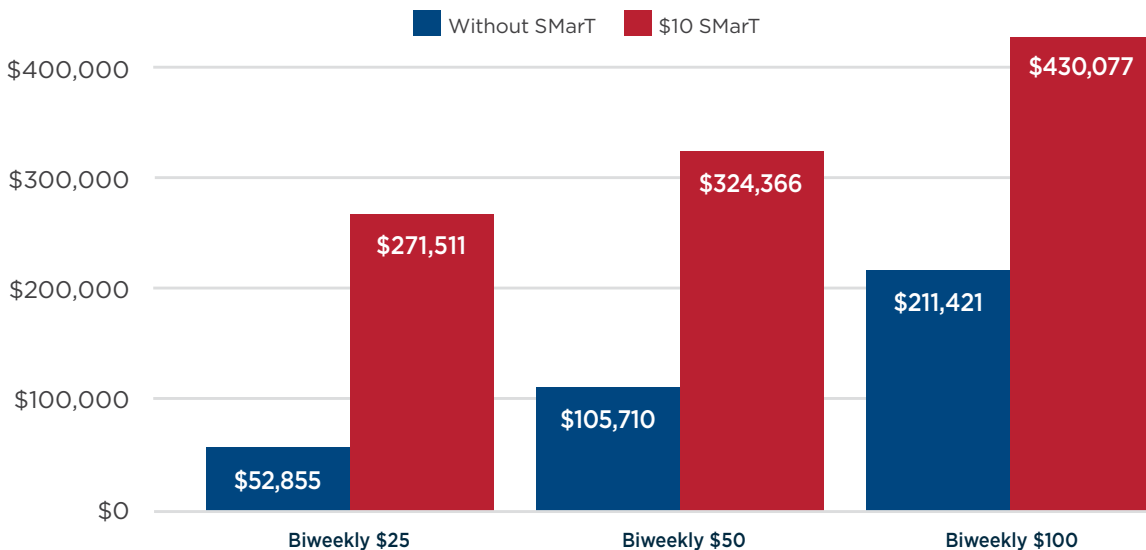

EZ Enrollment Form

Your pension and your Ohio Deferred Compensation account are here to provide you with retirement income when you stop working. Simply enroll, choose how much you want to save from each paycheck and let your money go to work for you.

- **Ohio DC is a program designed to help you supplement your pension.** Pensions are not designed to replace 100% of your pre-retirement income.
- **It's easy, tax deferred and flexible.** Contributions are deducted from your paycheck prior to federal and state tax withholding, and the contributions can be changed throughout the year.
- **Your money is available when you separate from your employer.** There is NO penalty for withdrawals prior to age 59½.

Enroll in the SMarT Plan, and contributions to your Ohio DC account will automatically increase each year by the amount you choose. It's a barely noticeable change to you in the moment, yet it could have significant impact to your account growth over time.

NO SMarT vs. \$10 SMarT
Current account balance of \$0 – Compounding interest of 6% over 30 years

These are hypothetical compounding examples and are not intended to predict or project the investment results of any specific investment. Investment return is not guaranteed and will vary depending on your investments and market experience.

TERMS AND CONDITIONS

Upon enrolling, you will be mailed a Welcome Kit that includes the Cancellation Form, Beneficiary Form, Memorandum of Understanding and Plan Document with more detailed information on the terms and conditions outlined below:

- Your account balance will be held by Ohio Deferred Compensation in trust on behalf of your employer for the exclusive benefit of you or your beneficiaries.
- You can cancel your participation before your forms are processed by calling 877-644-6457 within 7 days of the date signed on this form.
- Based on market fluctuations, the rate of return on your account could be either positive or negative. This could result in your account balance being worth less than your contributions.
- Investments have underlying expenses or management fees that will reduce the investment results. Information on these expenses can be found in the fund profiles or the respective prospectus. Call 877-644-6457 to receive the fund profile or prospectus.
- Before investing, carefully consider the fund's investment objectives, risks, charges, and expenses. The fund prospectus or profile contains this and other important information. Read the prospectus or profile carefully before investing.
- At any time, you may change the amount you contribute or the allocation of future investment options.
- The Internal Revenue Service imposes rules that limit the times you can make changes or receive withdrawals from Ohio DC.

- You may withdraw funds from Ohio DC only upon:
 - Ending your employment (including termination, retirement, or death)
 - An unforeseeable emergency (as defined by Section 457 of the IRC)
 - A small balance distribution (see Plan Document for eligibility)
- An unforeseeable emergency is defined by the IRS as a severe financial hardship. Please see the Plan Document for specific details. Purchasing a home, carrying credit card debt and sending your children to college are not qualifying events.
- Withdrawals may begin after ending your employment and Ohio DC's receipt of your employer's verification that employment ended, the final contribution and the Withdrawal Election form.
- Distributions must satisfy certain minimum requirements after reaching the age required by the IRS.
- The funds in your account could be eligible for rollover into another eligible retirement plan upon ending your employment.
- Your participation in Ohio DC is for long-term retirement savings. You should maintain separate, available emergency funds to cover day-to-day, unanticipated financial shortages.
